M-TIP Testing Assessment

By assessing the Test Report, MasterCard has found reasonable evidence that the chip acquirer system and terminal configuration, referenced as "Product", sufficiently complies with the Specification References to be deployed by the above mentioned Acquirer, according to the below listed terms, under the assumption that, as applicable, Acquirer, Retailer, Member Service Provider, Contactless Product Vendor and Terminal vendor are MasterCard registered entities.

Any change to the Product must be notified to MasterCard. Upon MasterCard request, the Acquirer shall (i) provide information related to changes to the Product and (ii) run the latest Field Interoperability tests and/or additional MasterCard specified tests. Failing to comply with such notification or request(s) may result in this Letter of Approval to be terminated by MasterCard.

Specific Terms

Waiver(s)/Variance(s)	None
Warning(s)	None
Restriction(s)	As per the current MasterCard security policy related to PCI PIN Entry Device (PED) Approval, devices of this model may be used in new installations until 30 April 2020 and must be withdrawn from the field before the sunset date to be announced in a bulletin by MasterCard.

In no circumstances does this Letter of Approval constitute any representation or warranty express or implied regarding the functionality, quality or performance of the Product or of any other product or service provided by the Acquirer, including, without limitation, any implied warranties of merchantability, fitness for purpose, or non-infringement, all of which are expressly disclaimed by MasterCard. In no event shall MasterCard be liable for any special, collateral, incidental or consequential damages or loss of business or profits in relation to this Letter of Approval. All rights and remedies regarding Acquirer's products and services for which MasterCard has granted this Letter of Approval are the responsibility of the party supplying such products or services and not MasterCard.
